

KHA
2007 Christmas Lights

Last night was a beautiful night! The neighborhood looked wonderful! There were lights and even music...the evening was hosted by last year's KHA Christmas Light winners, Mike & Toni Beck & John & Betty Easton. Again, their home was lovely...outside and in! After the neighbors gathered we loaded up and drove through the neighborhood.

It was hard this year...many houses got plenty of "oohs" and "ahhhs". But you must be a member of KHA to actually place and win so that narrowed the scope a little bit. About 12 houses were ultimately 'in the running', but after the votes were made and counted...
